

Welcome to the April newsletter!

April meeting - corners

Corners is an informal skill-sharing session. Sheila will be sharing fancy yarn, Leonor will be sharing Portuguese knitting, and Sam will be sharing support spindling. We'll start around 11:30, and people can get involved or watch as they please!

March meeting

Twelve members took part in an excellent workshop on English long-draw delivered by Sue MacNiven. Members learned good carding practise, the difference between English and American long-draw, and how to get the best results from plying.

Constitution

If you would like to join the small, dedicated band going through the draft constitution, the next meeting will be (online) on Tuesday, 8th April, 7:30 - 8:30pm. Everyone's welcome - just email for the link!
